First Lieutenant’s Report

January 2020
Thanks for your help with standbys in December...

Crew App Changes
✓ Event name now includes an indicator for the number of members/licensed members needed (ex: 2.1 or 3/5.2).
✓ Equipment, IC and other details will be listed with event in CREW.
✓ If you are available but need special accommodations (time, etc.), please remember to notify one of the officers when you sign up.
✓ Goal is to have every event for the month filled by the 15th of month prior.

Sign up in advance! If your availability changes, just let leadership know.
Pulse Oximeters

✓ Pulse Oximeters have been added to each bag for first response diagnostics to aid in initial assessment.
  • Red/infrared light measure oxygenated vs deoxygenated RBC
  • Indicates current pulse and O2 level
  • Compliments visual assessment of the patient
  • Fast and easy to use (place on finger and turn on)
  • Unit should be disinfected with an alcohol pad after each use

ALERT: Accuracy may be impacted by hypothermia/hyperthermia, carbon monoxide poisoning, smoke inhalation (stronger affinity for hemoglobin)
Goals for Training Plan Development

1. **CPR / AIRWAY** Refresh twice a year
2. Annual calendar of trainings; will sometimes be held at different stations and include exposure / training / refresh on equipment
3. **EMS In-Service Dates** posted in crew. Hope to make some EMS In-Service available on days that work for volunteers
4. **Team Trainings** posted in CREW when possible.
5. Your input is vital. Please give any and all suggestions and/or recommendations to Steven.
Probationary Member On-Boarding

- Orientation Packet
  - Summary of Requirements
  - Opportunities / Teams
  - WCRS / EMS leadership
- Orientation Day
  - Skills Assessment / Station Visits / Rescue Tech Intro
- Any suggestions / input / volunteers (service hours)
- Consider becoming a mentor for probationary members
Probationary Member Mentorship

✓ Spend 4-hour Orientation Day with probationary member
  • Station Visits and Introductions / Help with Skills Assessment
✓ Guide probationary members on:
  • Operations (Meetings, Standbys, Rid-A-Longs, etc.)
  • Policies (Dress Code, Service Hours, PAT, etc.)
✓ Help answer questions as they arise
✓ Mentoring hours count toward service hours
