Motion:
For the membership of WCRS to approve expenses of up to but not over $2500 for implementation of a bicycle unit in WCRS with the understanding that fundraising efforts are ongoing and will continue for the next six months in a manner that does not conflict with the annual fund drive. All funds earmarked for the Bicycle Unit will be allocated toward the repayment of expenses incurred in the purchase of bicycles, accessories and high visibility shirts.
Announcement

✓ Bag diagrams have been added to the bottom of each bag and posted in the office.

✓ Patient Contact Sheets for quick documentation.
Corona Virus

WC/JC EMS has protocols in place for dealing with COVID-19. Any member, probationary or regular, who is riding a truck is required to consult with EMS staff about COVID-19 protocols AND to follow the direction of EMS staff during calls as it pertains to any quarantine or infectious patient handling. If a truck does not have enough PPE on board to adequately supply a WCRS rider for a potentially infectious run, the WCRS rider must remain at station unless directed otherwise by the truck crew. Remember to closely follow CDC recommendations for healthcare professionals while you are riding.
